- I want to join my fellow employees and become a member of the Littleton Education Association (LEA), the Colorado Education Association (CEA), and the National Education Association (NEA). I hereby request and voluntarily accept membership in these associations, and agree to abide by the Constitutions and Bylaws of all three associations.
- I hereby agree to pay the annual (Sep.1 – Aug. 31) dues established by the three associations in consideration for the services the union provides. I understand that those annual amounts are subject to periodic change by the governing bodies of the associations. I authorize on a continuing basis, and regardless of my membership status, the payment of those annual amounts established by the three associations through payroll deduction unless I revoke this authorization in a signed writing sent to my local association office or to CEA at 1500 Grant St, Denver, CO 80203 via U.S. mail between August 1 and September 5 of the membership year immediately preceding the membership year for which the authorization is to be cancelled. I understand that a portion of my dues includes contributions to the LEA Every Member Option (EMO) and the CEA Every Member Option (EMO) per the terms set forth below.
- I understand that this agreement is voluntary and is not a condition of employment and that I have the legal right to refuse to sign this agreement without suffering any reprisal.

1. The NEA Active annual membership includes a \$7 special assessment set by members in July 2000 to help state affiliates, such as CEA, defeat anti-public education ballot issues and expand NEA's national media campaign. The \$7 assessment is an obligation for all NEA members, including members who pay part-time NEA dues. NEA Student dues include \$1 for the same purpose.
2. The CEA Active annual membership includes a \$43 Every Member Option (for political activities), and a \$15 Public Relations Assessment (for CEA's advertising campaign).
3. A member can be refunded the CEA Every Member Option sum by notifying CEA in writing before December 15. CEA sends a letter about the Every Member Option refund process to all Active members who join after December 15. Student members do not pay Every Member Option nor the PR Assessment, though they may make contributions to either or both. CEA includes Every Member Option refund information in the CEA Journal twice annually, and automatically refunds the EMO sum to any member who is not a U.S. citizen/legal permanent resident.
4. The LEA Active annual membership includes a \$12 Every Member Option (for political activities).
5. A member can be refunded the LEA Every Member Option sum by notifying LEA in writing before December 15. Student members do not pay Every Member Option. LEA provides Every Member Option refund information to members twice annually, and automatically refunds the EMO sum to any member who is not a U.S. citizen/legal permanent resident.
6. The Local Association has the responsibility to determine if a member pays less than full dues. If one works more than half time, full dues must be paid; if one works less than half time, half dues will be paid. This figure is determined by a teacher's/faculty's employment contract.
7. If an Active member joins after September 1, the Local Association in determining the new member's dues must prorate the dues by the number of months and payroll deduction periods remaining in the membership year.
8. The total annual dues obligation for Active (non-first year) full-time members is \$915.96, and for Active (non-first year) part-time members is \$475.56.
9. Dues payments are not deductible as charitable contributions for federal income tax purposes. CEA provides this information to members in the January CEA Journal, and on its website.
10. Ethnic information is kept confidential; CEA does not sell or give away member lists. Membership is open only to public education employees and students in pre-teaching programs.
